COOKIE STATEMENT – HIGH TECH INSTITUTE

What are cookies?
A cookie is a small (text) file that is stored by your browser on your computer when you visit our website. This information can be sent back to us at your next visit. This allows our website to recognize you.

Why do we use cookies?
Cookies ensure that the website is fast and you can visit our website safely. Cookies also allow us to see how the website is being used and how we can improve our website. In addition, cookies may be used by us to serve ads that match your interests.

What cookies do we use?
Functional cookies
These cookies are necessary for the website to work. Without them, some preferences (such as your language settings) cannot and cannot be stored.

Google Analytics
To test the quality and effectiveness of our website we use Google Analytics. This allows us to see how the website is being used and how we can improve it. We have concluded a processing agreement with Google. This means that Google will not use the data collected by these cookies for its own purposes.

Tracking cookies
We ask your permission to place tracking cookies. Based on the pages you have visited, we may show you advertisements that we think may be of interest to you.

Social media
Our website contains buttons from Facebook, Linkedin, Twitter, Instagram. These buttons can be used to share pages on social media, for example. Social media collect information via the code of these buttons, even before you press the button. We have no influence on this. With these cookies social media make it possible for advertisers to find you. Regularly read the privacy statement of Facebook, Linkedin, Twitter, Instagram to see what happens to your data collected via cookies.

How can I view, correct or delete my data?
You can view, correct or delete your personal data. Please send an e-mail to:
training@hightechinstitute.nl.

How can I disable or delete cookies?
You can choose not to give permission for cookies to be placed. You can also set your internet browser to block cookies. It varies per browser how you can set this, most browsers explain this in the help-function. If you block cookies, our website may not work as well as it should.
